

FEATURES

INTERIOR LAYOUT:

Divided into ladies and gentlemen's areas: 2 toilets and 1 sink in the ladies' area and 1 toilet + 1 urinal + 1 sink in the men's area.

EXTERIOR MEASUREMENTS: 5.25 m long + 1.36 m wide x 2.57 m wide (leave 0.2 m in front of the staircase) x 3.10 high.

Brown exterior. Combination of grey and white interior.
has air conditioning.

OPERATION:

Toilets with Jets™ vacuum system, where the vacuum technology used by our toilets to flush water saves an average of 8 liters per flush.

In addition, this system avoids the use of chemicals for deodorization that would be necessary.
